RE: Paula, Kevin and Brendan O'Driscoll

To Whom it may concern:

I'm writing this letter as a witness to several situations revolving around: Kevin O'Driscoll (Kevin) and Paula O'Driscoll (Paula) and their minor child, Brendan O'Driscoll (Brendan).

Over the course of the last year, I've spent a tremendous amount of time with Paula and Brendan. This time included many evenings and days at the O'Driscoll home on O'Dell Street in Chicago as well as in public at restaurants, BBQs with mutual friends, ice cream shops, grocery stores, etc. Additionally, I've exchanged hundreds of text messages & emails with Paula O'Driscoll and have talked with her virtually every day – up until about a month ago. These conversations totaled hundreds of hours of phone and in-person discussions with Paula O'Driscoll, the babysitter (Ashley), the landscaper for the O'Dell house, the neighbors (Russ and Connie), and others.

I have grown extremely concerned over the situations that I witnessed and the information that Paula told me regarding the following situations: Paula's parenting skills, Paula's drinking and smoking addictions, Brendan's ER visit & health, her divorce from Kevin O'Driscoll, her colleagues at the firehouse she works at as a firefighter, Kevin O'Driscoll's other legal situations, Monet and her children, the woman that Brendan and Paula are now living with as of last month, Paula's financial situation and more.

Initially, I was under the impression that Paula was a good parent and an honest person. I've come to find out the truth about Paula and her parenting abilities as well as the depths she will go to frame her husband Kevin – even if it means performing illegal acts, lying, threatening Kevin's safety and more. Paula is not an honest person and has committed some sociopathic acts that have shocked and frightened me. My hope in writing this letter is to help the courts understand the true persona of Paula O'Driscoll, in order for the safety of Brendan O'Driscoll and the truth regarding Kevin O'Driscoll's other legal issues.

Last month, I began challenging Paula in her sociopathic behavior. The result was Paula displaying rage toward me, threatening my life and cutting off communication. Knowing that the information I am going to write in this letter makes her so angry and that she has threatened my life & has the resources to hurt me, I ask that this information be used very carefully – I fear for my life.

Below represents the most significant information that I've witnessed:

- 1.) Paula smokes cigarettes in front of Brendan on a regular basis, especially in the car.
- 2.) Paula drinks alcohol on a regular basis.
- 3.) Paula has screamed at Brendan for absolutely no reason – many times.
- 4.) Paula uses extreme profanity in Brendan's presence.
- 5.) Paula uses extreme profanity and screaming as a means to discipline Brendan.
- 6.) Many times, Paula did not know where Brendan was in the house while I was visiting.
- 7.) Brendan was extremely ill approximately 5 months ago. Paula brought Brendan to the ER and never disclosed this information to Kevin. Paula stated she knew it was wrong, however, she never told Kevin the truth.
- 8.) Paula has stated that the Lantini family (Rick Lantini, felon) will hurt Kevin if Paula wants them to. She stated that all she had to do was ask and they'd never find Kevin's body.
- 9.) I was at a party in which [REDACTED] & a Cook County Sheriff) stated that if Paula wanted Kevin to have all sorts of serious issues, he could arrange for that. He said "they would never find his body."
- 10.) Paula stated that the Lantini family has hurt and killed many people in the past and that they treat Paula like family and that they will protect her any way they need to.
- 11.) [REDACTED] (daughter of [REDACTED]) stated to me several times that she wanted to have her Dad hurt Kevin, stating, "Do you know who my Dad is? I'm telling you Kate, they will never EVER find his body."

- 12.) Currently, Rick Lanitini has been threatening the life of the former fiancé of his daughter Kelly. Gene (former fiancé) broke off the engagement due to Kelly's psychopathic behavior. Gene has been in hiding and is terrified the Lantini family will follow through on these many threats.
- 13.) Paula and her Captain at the firehouse she works created a fraudulent Facebook account using pictures from a woman that the Captain knows – without that person's knowledge. Paula used this fraudulent Facebook account to follow and watch Kevin's account, post fraudulent information and attempt to trap Kevin in lies.
- 14.) Paula falsely called the Police on 4 occasions. When the police arrived to the Odell house, she lied to them about Kevin's behavior. She stated she did this because she wanted Kevin arrested so she could win custody of Brendan.
- 15.) On information and belief, Paula had Kevin followed by Police the day he was arrested for driving without a driver's license. Paula called me to rejoice in the fact that Kevin was finally "done" and that all her hard work to get him caught has paid off. Then, when Kevin was released from jail, she was angry and then, as she said, "set out to destroy" Kevin.
- 16.) Paula hired an unqualified babysitter for Brendan (Ashley). Paula stated that she hired Ashley because she had been a bartender in the past and served Kevin alcohol. Paula stated that she was getting as many witnesses as she could to "take Kevin down".
- 17.) I've had several long conversations with Ashley in which she opened up about her current active drug and alcohol addiction and that she just cannot stop. Ashley has smoked in front of Brendan many times in my presence. I told Paula about this and Paula kept Ashley as a babysitter for months and months after this.
- 18.) Paula, Ashley and Ashley's mother have colluded together regarding the court case Ashley had against Kevin. Paula went down to the Police station herself to pick up police reports from Ashley's case. Paula called Ashley and Ashley's mother to ensure they attend each court date against Kevin.
- 19.) Paula has been lying and exaggerating Kevin's past legal situations in order to win custody of Brendan. She has been in touch with the disability attorney many times investigating Kevin and has called a number of other contacts in order to "take him down", as she stated.
- 20.) Paula has been colluding with Connie and Russ (Chicago Police) (neighbors) on Russ's case against Kevin. For years, Paula has been calling Russ and Connie and telling them to record Kevin outside of their home. Paula stated many times that she'd "give anything to see Russ take Kevin down and have Kevin go to prison.
- 21.) I've seen texts from Connie in which she is clearly colluding with Paula in order to retaliate against Kevin for winning the court case against her husband Russ.
- 22.) Paula is living with a woman (Monet) and her two children. Paula knew Monet 30 years ago and started chatting with her only a few months ago on Facebook. Monet only visited one time before moving her and her children in with Paula. Paula herself told me of a story on which Monet abandoned her 16-year old son in the middle of downtown Chicago because Monet got angry with him. Monet's children are from a small town and had never been to Chicago.
- 23.) Paula herself has told me that Monet has a serious drinking problem and smokes a great deal. I asked if Monet smoked cigarettes or marijuana, Paula said she thought Monet smoked both.

Obviously, these listed situations are very serious; especially with a minor involved. I will be sending this letter to Dr. Finn and whomever else can help Brendan. Additionally, I will be sharing this information with the authorities as I fear for Kevin's and my own life.

I'm willing to discuss these items with those that need more information. I have not listed everything in this letter that I've witnessed and am willing to help Brendan any way possible.

Sincerely,

Kate ODriscoll
